DARÁNYI IGNÁC TERV

Dear Sir/Madam,

The members of Déli Napfény LEADER Association are glad to invite you to the convention of Local Rural Development Associations of the South-Plain Region of Hungary and the Rural Development Non-governmental organizations of Serbia. The main purpose of the convention is the establishment of contact between potential partners, furthermore the demonstration of the possible fields of cooperation via seeking contact points concerning the 99/2012. (IX.25.) Regulation by the order of the Ministry of Rural Development. The Regulation specifies the conditions of international cooperation.

The convention will give the opportunity to establish primary relations, focusing principally on fields of cross-border cooperation. Further information about potential partners and project ideas will be available during the Carpathian-Basin Cooperation Forum which is due in March.

We are looking forward to your participation. Please fill in the registration form attached and send it to one of the addresses underneath. Please note that we need the number and details of all the participants.

Best regards,

The organizers:
